HEAD COACH

Sean Lewis enters his second season as head coach of the San Diego State football program. The Oak Lawn, Illinois, native was introduced as the 19th head coach in the history of the San Diego State football program on Nov. 29, 2023.

In his first year at the helm, Lewis' Aztecs fashioned a 3-3 record through their first six games before the youthful squad dropped its final six games to finish with a 3-9 ledger. During the 2024 campaign, SDSU lost three games by five points or less, posting a 2-3 mark in one-score games.

Individually, the Aztecs garnered nine all-Mountain West accolades, including first-team running back Marquez Cooper, who ranked 16th in FBS play with 106.2 rushing yards per game and 26th with 117.58 all-purpose yards per contest. In all, Cooper rushed for 1,274 yards on 292 carries, good for 13th on the school's single-season charts, while adding 12 touchdowns. He finished his collegiate career ranked 20th in NCAA FBS history with 5,130 rushing yards.

In addition, first-team EDGE rusher Trey White totaled 60 tackles (40 solo) in a breakout season that also featured a conference-leading 12.5 sacks and 18.5 tackles for loss, which were tied for fifth and seventh in FBS, respectively.

Not to be outdone, placekicker Gabe Plascencia received second-team all-MW recognition after setting a school-record with a 92.9 field-goal percentage (13-14), connecting on his final 12 attempts, which marks the sixth-longest active streak in the country.

Prior to his arrival on The Mesa, Lewis served as head coach at Kent State from 2018-22 before spending the 2023 campaign as offensive coordinator/quarterbacks coach at Colorado under head coach Deion Sanders. He also witnessed great success as a coordinator/ assistant coach in stops at Syracuse (2016-17), Bowling Green (2014-15) and Eastern Illinois (2012-13).

In his lone season at Colorado, Lewis revved up the team's sputtering attack, with the Buffaloes averaging 12.75 points and 82.31 yards more per game than the previous year in 2022.

In his five previous seasons at Kent State, Lewis transformed a moribund program into an offensive juggernaut, with his 2021 team setting school records for plays (1,052) total yards (6,907), rushing yards (3,482), passing yards (3,425) and first downs (362). That season, the Golden Flashes boasted the third-best rushing attack in the nation while ranking fourth in total offense (495.2). Not surprisingly, Kent State clinched its second postseason berth in four years with an appearance in the Famous Idaho Potato Bowl.

Individually, the Golden Flashes placed seven players on the all-conference team following the 2021 campaign, including senior quarterback Dustin Crum, who was presented with the Vern Smith Leadership Award, signifying the Mid-American Conference's Most Valuable Player. Under Lewis' tutelage, Crum became the first Kent State quarterback to throw for over 3,000 yards in a season and was one of two players in school history to surpass the 9,000-yard barrier in total offense for his career (7,420 passing; 2,071 rushing) and throw for more than 50 touchdowns (55).

During a shortened 2020 season, Lewis guided the Golden Flashes to a 3-1 mark, securing the program's first back-to-back winning records since the 1976-77 campaigns. Lewis' FlashFAST offense was on full display in those four games, as Kent State led the nation in total offense (606.5) and scoring offense (49.75). The Golden Flashes punctuated that electrifying year with a 69-35 triumph over Akron, tying the program's single-game records in points (69) and touchdowns scored (10).

In 2019, Lewis orchestrated one of the best turnarounds in college football, as Kent State tied for the eighth-best improvement in FBS with five additional wins from the previous year, finishing with a 7-6 overall record. The Golden Flashes capped that memorable season with a 51-41 victory over Utah State in the Tropical Smoothie Cafe Frisco Bowl, which marked the first bowl win in program history.

Lewis' offense continued to make tremendous strides that year, improving from 22 points per game in MAC play the previous season to over 34 points in 2019. Kent State compiled over 600 yards of total offense in two games, including a 750-yard outburst against Bowling Green, which marked the most in an FBS regulation game that year.

Individually, six Golden Flash players landed on the all-conference team in 2019, featuring kicker Matthew Trickett, who was named the MAC Special Teams Player of the Year. In addition, Crum flourished under Lewis' guidance, leading the league in quarterback rating (159.2)

ORIGINAL SERIES

8.12 FX | hulu

and completion percentage (69.3) while posting a 20-to-2 touchdown-to-interception ratio.

Lewis made an immediate impact in his first season with the Golden Flashes in 2018, as Kent State improved dramatically in several statistical categories, averaging 11.2 points and 108.4 yards more per game compared to the 2017 campaign.

After posting a 2-10 mark in his inaugural season with the Golden Flashes, Kent State compiled a 22-21 overall record in Lewis' final four years with the program, including a 17-10 ledger in conference play. Except for the pandemic-shortened 2020 campaign, the Flashes played three Power 5 schools each season during Lewis' tenure. Excluding those Power 5 games, his record at KSU improves to 22-9.

Prior to his hire at Kent State, Lewis spent two seasons Syracuse under head coach Dino Babers in 2016-17, serving as co-offensive coordinator and quarterbacks coach.

With Lewis' assistance, Syracuse's high-octane offense averaged 456.3 yards and 24.4 first downs per game in 2017, scoring 40 points or more in three contests to go with an impressive 27-24 victory over defending national champion Clemson.

In addition, the Orange led the nation in offensive plays per game (87.8) that season, while wide receiver Steve Ishmael garnered second-team All-America accolades and was a semifinalist for the Biletnikoff Award after setting program records with 105 catches and 1,347 receiving yards.

During Lewis' first year at Syracuse in 2016, the offense set or tied over 40 school records, including most passing yards in a season (3,855), while its 5,290 yards of total offense ranked second in program history. Not to be outdone, Orange quarterbacks finished 11th nationally in passing offense.

Lewis arrived on the Syracuse campus after working a pair of two-year stints alongside Babers at Bowling Green (2014-15) and Eastern Illinois (2012-13).

National Offensive Rankings Under Sean Lewis

At Colorado
(offensive coordinator)
2023
When Lewis was offensive coordinator:
- 6th in passing (330.0)
- 39th in scoring (32.1)

After Lewis was offensive coordinator:
- 59th in passing (224.0)
- 100th in scoring (20.3)

At Kent State
(head coach/offensive coordinator)
2021
- 3rd in rushing (248.6) and first downs (364), 4th in total offense (495.2), and 30th in scoring (33.0)
- Set Kent State records for plays (1,052), yards (6,907), first downs (364), rushing yards (3,482) and passing yards (3,425)

2020
- 1st in scoring (49.8) and total offense (606.5), 2nd in pass efficiency rating (191.2) and third-down conversion percentage (56.1),
- 3rd in rushing (283.0) and fourth down conversion percentage (87.5), and 10th in passing (323.5)

At Syracuse
(co-offensive coordinator)
2017
- 18th in passing (294.8) and 23rd in total offense (456.3)

2016
- 11th in passing (321.3)
- Set or tied 40 Syracuse records, including passing yards (3,855), while the 5,290 total yards were second most in program history

At Bowling Green
(co-offensive coordinator)
2015
- 4th in total offense (546.8) and 6th in scoring (42.2)

With Lewis on staff as co-offensive coordinator and quarterbacks coach, Bowling Green ranked fourth nationally in total offense (546.8) during the 2015 campaign while occupying the sixth spot in scoring offense (42.2 ppg).

That season, Lewis also tutored Falcon quarterback Matt Johnson, who collected MAC Offensive Player of the Year honors after finishing second nationally in both passing yards (4,946) and touchdown passes (46). Additionally, All-American wide receiver Roger Lewis was slotted second in the country in receiving yards (1,544) while ranking third in touchdown receptions (16). The previous season, Bowling Green captured the MAC East Division title and secured a spot in the Camellia Bowl.

Lewis coached tight ends and inside receivers during his tenure at Eastern Illinois, helping the Panthers to consecutive Football Championship Subdivision (FCS) playoff berths, highlighted by a quarterfinal appearance in 2013 with a 12-2 mark. EIU's offense was led by Las Vegas Raiders quarterback Jimmy Garoppolo. Included in the 12 wins was a 40-19 victory at San Diego State on Aug. 31.

Lewis played collegiately at Wisconsin under legendary head coach Barry Alvarez, competing at quarterback and tight end. He twice received Big Ten all-academic recognition before earning his bachelor's degree in 2007 from the university in agricultural sciences.

Lewis began his coaching career at his alma mater, Richards High School in Oak Lawn, Illinois, serving as offensive coordinator under the late Gary Korhonen, who garnered National High School Coach of the Year accolades from both the National Football Hall of Fame and the National High School Coaches Association.

Lewis accepted his first college coaching position at Nebraska Omaha, working with the Mavericks' tight ends in 2010 before serving as a graduate assistant at Akron during the 2011 campaign.

Lewis and his wife Sarah have two children, Rory and Kiera.

What They're Saying About Head Coach Sean Lewis

"A lot of people say things when they don't need to, but this is the truth. You guys hit a home run with this hire. It will turn out to be an unbelievable thing for San Diego State. I've been around a lot of great coaches, and you take the things you like best from them. Sean is as good as they come. He strives to be as good as he can be. He is a player's coach and will always do what's right for the student-athlete. He has high standards and was raised in a military fashion. Sean will always do things the right way and put the kids first. He will do great things for San Diego State."
- Dino Babers, former Eastern Illinois/Bowling Green/Syracuse head coach

"Sean Lewis is an exceptional hire for San Diego State University. He is a masterful tactician and recruiter, as well as a tremendous motivator. The student-athletes will enjoy the coaching and mentoring they receive, and it will be reflected in their performance. Sean is one of the positive brights lights in college football and his fast-paced brand of football will be exciting for players and fans alike. Congratulations on the hire."
- Jon A. Steinbrecher, Mid-American Conference Commissioner

"As a head coach and my position coach, Coach Lewis built a winning culture from the ground up with a work ethic and enthusiasm that is second to none. He helped me personally reach my best both on and off the field. I can't wait to see the success he'll achieve with the SDSU football program."
- Dustin Crum, former Kent State/current Ottawa Redblacks quarterback

"Coach Lewis has a unique ability to connect with all his players and challenge each individual to push themselves to their full potential. Coach is able to teach the game at a high level yet simplify concepts for quick learning. I am thrilled to hear Coach Lewis will be on the West Coast and I know he is going to bring success to the Aztecs. Wishing him the best!"
- Eric Dungey, former Syracuse/NFL quarterback

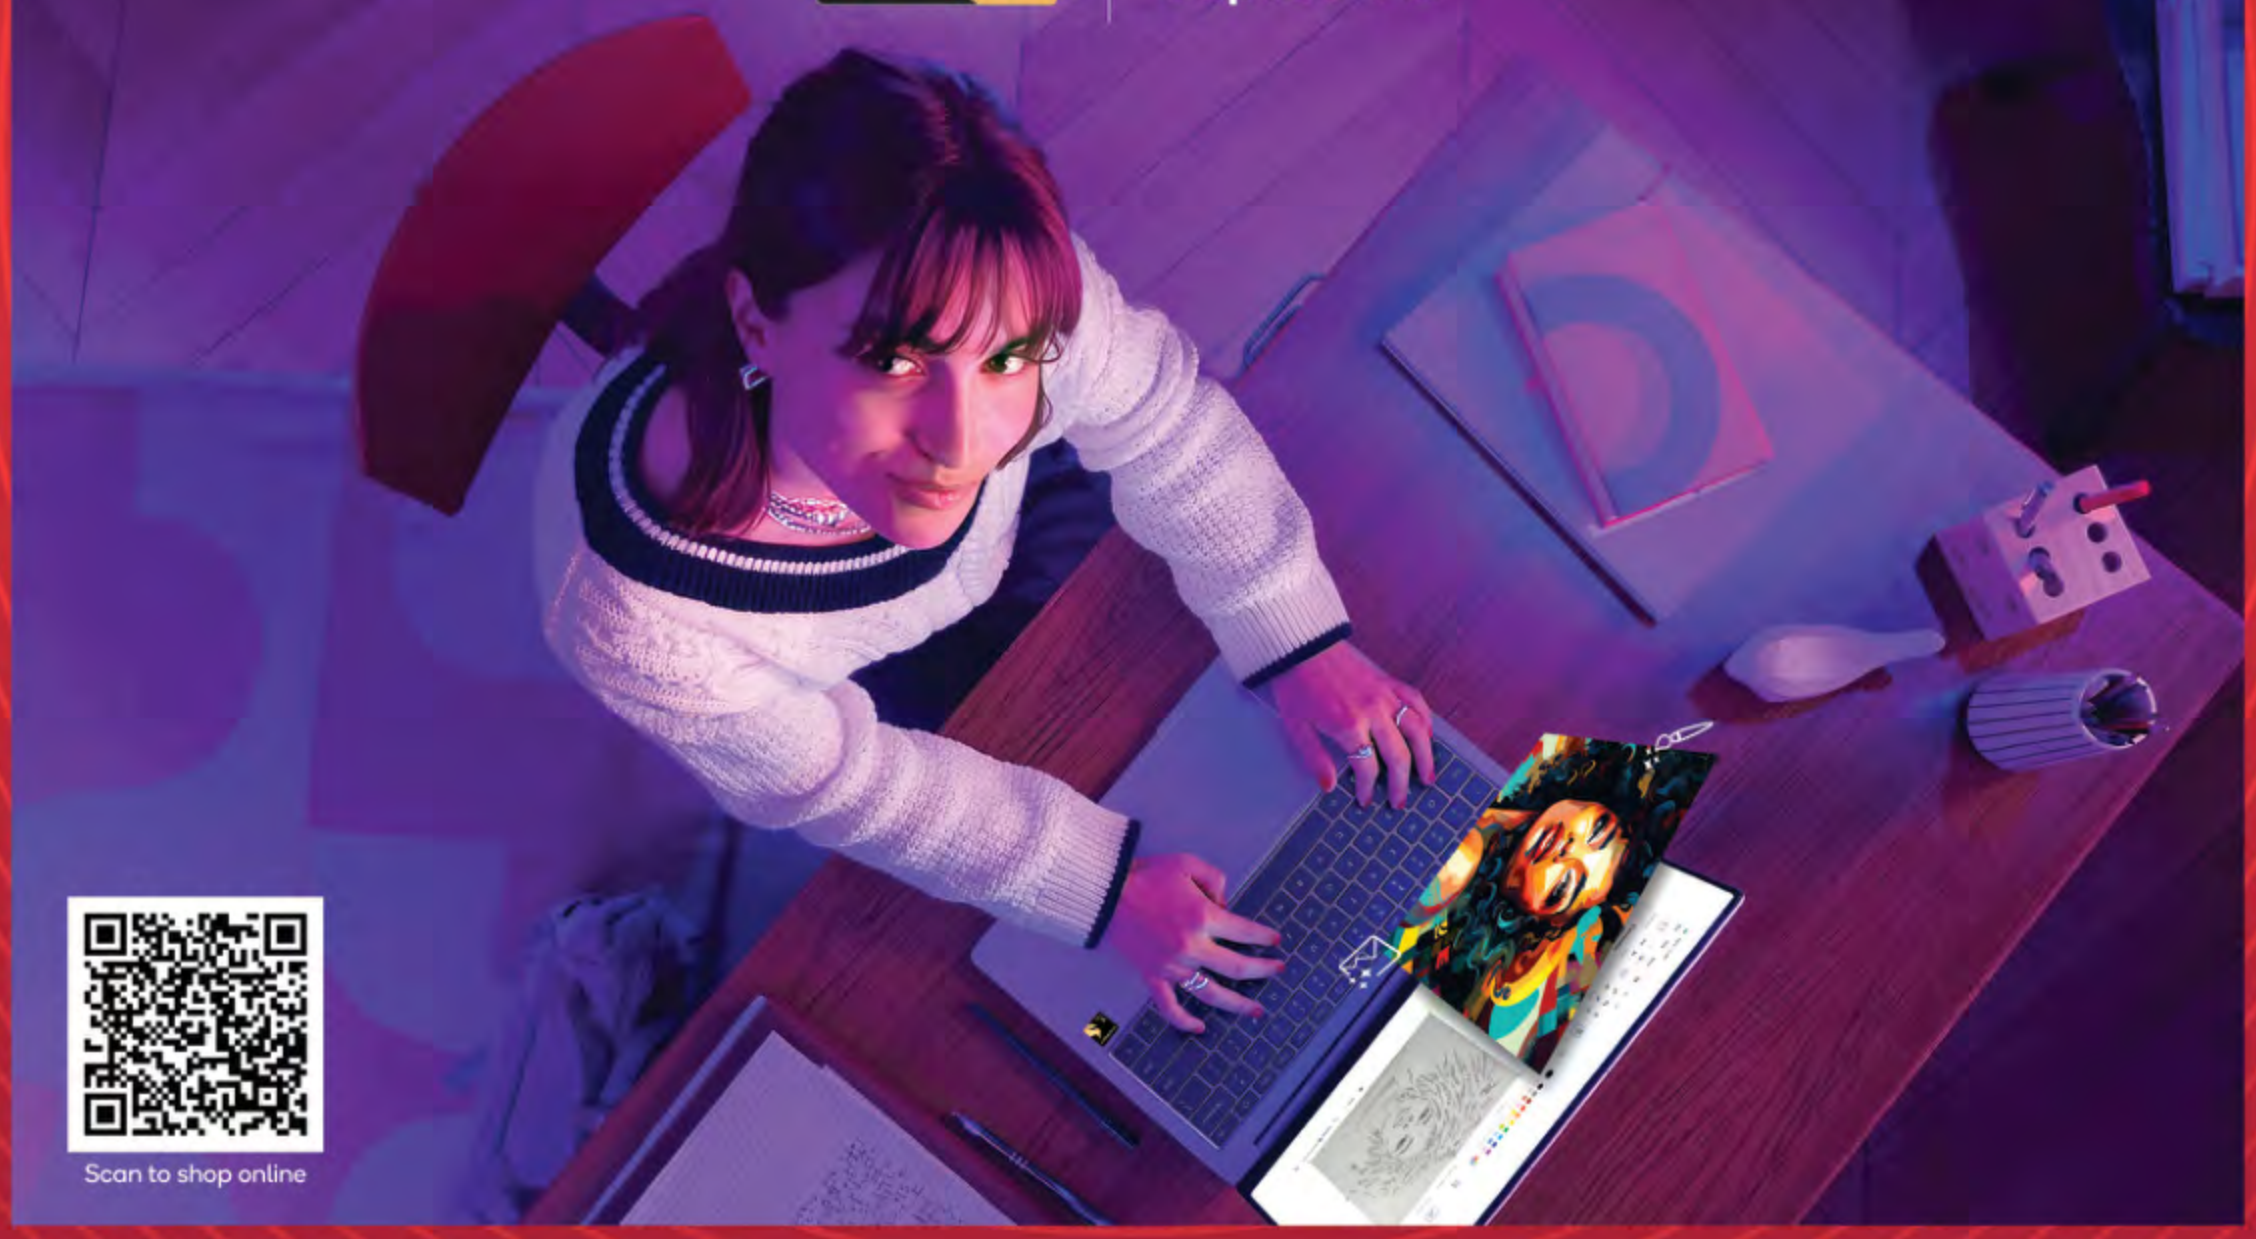
THE fastest Windows PCs with multi-day battery life

Snapdragon X Elite

Copilot+PC



Scan to shop online

Upgrade to a Windows 11 PC powered by Snapdragon

Up to
22 hours
of battery life.

Cutting-edge,
On-device AI
for today. And tomorrow.

Make more possible with
Windows 11
running on Snapdragon® X Series processors.

Snapdragon

Available at BEST BUY

CPU Performance is based on Geekbench v6.2 Single-Core on Windows 11 OS run in October 2024. Snapdragon X Elite (XIE-80-100) was tested using a Dell XPS 13 (9345) on "Balanced" Power Mode in Windows and "Optimized" in Dell Power Manager. Intel Core Ultra 7 256V was tested using a Dell XPS 13 (9350) on "Balanced" Power Mode in Windows and "Standard mode" in Windows and "Optimized" in Dell Power Manager. The AMD Ryzen AI 9 HX 370 was tested using an ASUS VivoBook S14 (M5406WA) on "Balanced" Power Mode in Windows and "Standard mode" in MyASUS. Power and performance comparison reflects results based on measurements and hardware instrumentation of given devices. Battery life varies significantly with device, settings, usage, and other factors. Snapdragon branded products are products of Qualcomm Technologies, Inc. and/or its subsidiaries.

SOUTHERN CALIFORNIA LIFE POWERED FOR 125 YEARS

AS UNION MEMBERS, WE BARGAIN COLLECTIVELY WITH OUR EMPLOYERS OVER WAGES, BENEFITS, AND RIGHTS. MOST OF US HAVE VERY LIMITED BARGAINING POWER AS ONE PERSON, BUT AS A GROUP, WE ARE STRONG. WITH A GOOD NEGOTIATED CONTRACT, WE HAVE LEGAL PROTECTIONS WE WOULD NOT HAVE OTHERWISE.

“I can’t do this on my own.”

It’s OK to get help.

Sports come with highs and lows. Just like some sports require a team, so does taking care of our mental health. It shouldn’t be a solo game.

Whether you’re feeling the pressure to perform, coping with losses, or needing someone to just talk to, **CalHOPE** is here to provide you with free, safe, and confidential mental health support.

Win or lose, you don’t have to face it alone. Reach out for support. The **CalHOPE** team is waiting.

Find support now at **CalHOPE.org**

CalHOPE

"Mental health and physical fitness are intrinsically bound together. When we are healthy in mind and body, we are able to flourish in all aspects of our lives."

A message from (Pro Football Hall of Fame inductee) Ronnie Lott and California First Partner Jennifer Siebel Newsom, Co-Chairs of the ***Governor's Advisory Council on Physical Fitness and Mental Well-Being.***

The ***CalHOPE Courage Award*** *recognizes collegiate student-athletes who have overcome personal behavioral health challenges.*

Keep your travel plans fumble-free.

Fly ONT.

The stats don't lie. Ontario International Airport is the fastest and easiest airport experience in Southern California with up to 90 daily nonstop flights to nearly 30 major destinations. Plus, navigating in and out of ONT is a breeze with easy parking, fast lines and plenty of space in the terminal. Because let's be honest, faster is always better when it comes to your airport. And your wide receiver.

Start with a good game plan – book your trip through ONT today.

SAN DIEGO STATE UNIVERSITY

San Diego State University is a major public research institution that provides transformative experiences for more than 39,000 students. SDSU offers bachelor's degrees in 97 areas, master's degrees in 87 fields and doctorates in 25 areas, with additional certificates and programs at regional microsites. SDSU ranks as the No. 1 California State University in federal research support, as one of the top public research universities in California.

In addition to academic offerings at the San Diego State main campus, SDSU Imperial Valley and SDSU Georgia, SDSU Global Campus offers online training, certificates and degrees in areas of study designed to meet the needs of students everywhere. Students participate in transformational research, international experiences, sustainability and entrepreneurship initiatives, internships and mentoring, and a broad range of student life and leadership opportunities.

San Diego State University is committed to inclusive excellence and is known for its efforts in advancing diversity and inclusion. SDSU is nationally recognized for its study abroad initiatives, veterans' programs, and support of LGBTQA+ students, as well as its powerhouse Division I athletics program.

About 54 percent of SDSU's undergraduate and graduate students are students of color. The university resides on Kumeyaay land and was most recently recognized as an Asian American Native American Pacific Islander-Serving Institution (AANAPISI). SDSU is also a long-standing Hispanic-Serving Institution (HSI).

In 2020, the university broke ground on SDSU Mission Valley, which is designed as a vibrant, mixed-use, medium-density development that is transit-oriented, and expands the university's educational, research, entrepreneurial, and technology transfer programs. SDSU Mission Valley will include transit, retail, housing, and the development of more than 80 acres of community parks and open space, including the 34-acre River Park.

The university's rich campus life and location offers opportunities for students to lead and engage with the creative and performing arts, career and internship opportunities with SDSU's more than 500,000 living alumni, and the vibrant cultural life of the greater San Diego and U.S.- Mexico region.

THE ULTIMATE TAILGATE

sam's club

UNIVERSITY PRESIDENT

Dr. Adela de la Torre was appointed by the California State University Board of Trustees as the new president of San Diego State University.

Arriving on campus in June 2018, Dr. de la Torre is the ninth permanent president of SDSU and the first woman and first Latina to serve in that role. She brings with her 30 years of service in leadership roles at institutions of higher education, including the California State University system, the University of Arizona and the University of California, Davis.

Throughout her academic career, Dr. de la Torre has advanced the values of inclusion, equity, and achievement, focusing on the support that students and faculty need to be highly successful in their chosen fields. With her wide-ranging experience and achievements, she has brought a global perspective to the SDSU presidency, building on the university's unique leadership role in bridging the region's diverse communities.

Under President de la Torre's leadership, the breadth, depth and diversity of curriculum and academic programs at SDSU have all greatly expanded. She has driven the development of new curriculum and degree programs at both the undergraduate and graduate levels and has been a strong advocate for expanding the university's ability to offer doctoral degrees and post-doctoral research opportunities.

The university has also seen significant growth in philanthropy and research grants during President de la Torre's tenure, ensuring that San Diego State enhances its reputation as a leading public research university. With more than 500,000 living alumni, SDSU has received more than $650 million in philanthropic giving in the last five years.

A strong advocate for the campus-wide positive impact of academic research, President de la Torre has overseen a 65 percent increase in external research funding at SDSU in the past three years alone. In 2025, SDSU furthered its ascendance, reaching President de la Torre's strategic goal of earning "R1" status in the Carnegie Classifications, reserved for less than five percent of American universities with the highest levels of research activity. That activity reaches across SDSU's colleges and disciplines, spanning the arts and sciences and driving innovation in areas including community health and disease prevention, electric vehicle technology and environmental stewardship, cybersecurity and national security, homelessness and more.

One of President de la Torre's mission-critical strategic priorities is the ongoing development of SDSU Mission Valley. Along with the new Snapdragon Stadium, which opened in September 2022, SDSU kept another promise it made to the community when it opened a 34-acre river park on the site in early 2024. It features more than four miles of pedestrian and biking trails, multi-use recreational fields, basketball courts, fitness equipment, children's playgrounds, picnic areas, an outdoor classroom, and more. The next phase of development at SDSU Mission Valley includes the Innovation District, a modern incubator with up to 1.6 million square feet of campus, technology and commercial space. The mixed-use site also will include residential and retail development.

Once completed, SDSU Mission Valley will generate an additional $3 billion each year for the local economy and will support more than 17,000 jobs. And, importantly, it will allow SDSU to increase enrollment by up to 15,000 new students.

Meanwhile, the university also held a groundbreaking ceremony in early 2024 for a new $80 million STEM education and research facility at SDSU Imperial Valley. Funded by the California Legislature, the facility in California's "Lithium Valley" will prepare students to benefit from the major economic development and professional opportunities created by sustainable extraction of the element, which is vital to renewable energy technology. SDSU Imperial Valley also recently launched a four-year liberal studies degree and a Bachelor of Arts in mathematics and a Master of Science degree program in Homeland Security.

In 2025, addressing a regional housing crisis, SDSU launched construction of student housing for an additional 4,500 people across both San Diego and Imperial Counties.

Under President de la Torre's direction, SDSU also received federal designation as an Asian American and Native American Pacific Islander-Serving Institution (AANAPISI) and has sustained its designation as a Hispanic-Serving Institution.

For her leadership and visionary initiatives driving the growth of SDSU, President de la Torre has received numerous awards, including the 2022 Visionary Award for Innovation & Economic Opportunity from LEAD San Diego; an Honorary Doctorate from Tbilisi State University in 2022; the 2021 Eagle Leadership Award from the Latino Leaders Network; the 2021 Cool Woman of 2021 from Girl Scouts San Diego; and the 2019 Union of Pan Asian Communities 45th Annual Leadership Award.

Prior to her appointment as President, Dr. de la Torre worked in a variety of leadership positions at UC Davis, culminating in her role as vice chancellor for student affairs and campus diversity, where she oversaw a division encompassing 28 departments and units that provide services and facilities to foster academic success, student development and campus community. In addition, she spent 14 years from 2004-18 directing the UC Davis Center for Transnational Health and served a two-year stint (2009-11) as chair of the UC Davis Chicana/Chicano Studies Department, after becoming the first Latina to receive the rank of distinguished professor.

During her tenure at Arizona from 1996-2002, Dr. de la Torre was the director of the Mexican American Studies and Research Center, successfully developing the first graduate program in Mexican American Studies. She also founded the College of Medicine's first federally funded Hispanic Center of Excellence.

Dr. de la Torre was also a professor at California State University, Long Beach, serving as chair of the department of Chicano/Latino Studies. She was additionally selected by members of the California State University system to serve a one-year appointment (1995-96) as a management fellow, which involved systemwide strategic planning, higher education legislative initiatives, enrollment, and growth planning, as well as systemwide presidential and board of trustee meetings.

Dr. de la Torre's grandparents immigrated to the Central Valley from Mexico. She grew up in the Bay Area, where her grandmother and mother taught her important cultural traditions – the importance of family, the value of hard work and the power of education. Her mother attended both Modesto Community College and the University of California, Berkeley and was a public school teacher for 40 years.

Dr. de la Torre earned a bachelor of science degree in the political economy of natural resources and a master of science and Ph.D. in agricultural and resource economics, all from Cal.

DIRECTOR OF ATHLETICS

John David Wicker was introduced as San Diego State University's new Director of Intercollegiate Athletics on Oct. 24, 2016.

Through his tireless efforts, Wicker has overseen numerous capital projects upon his return to The Mesa, including the construction of Snapdragon Stadium, the Aztec football program's new state-of-the-art facility that serves as the centerpiece of the SDSU Mission Valley redevelopment plan, along with the highly anticipated River Park. He has also been at the vanguard of Name, Image and Likeness (NIL) discussion across collegiate athletics and has played an active role in helping to shape legislation affecting the college athletic landscape at both the state and federal level.

Additionally, Wicker has overseen the development of a Diversity, Equity, and Inclusion strategic plan for the SDSU athletic department, the addition the Aztecs Going Pro curriculum, as well as unparalleled academic success by SDSU student-athletes. Not to be outdone, Wicker has also raised significant funds for the athletic department to improve the overall student-athlete experience at San Diego State.

Since Wicker took over the reins as SDSU's athletic director, the Aztecs have captured 37 Mountain West team championships, including six men's basketball titles, six swimming and diving crowns, five softball championships, four outdoor track and field titles, four men's golf crowns, three baseball championships, three women's soccer titles and a trio of women's tennis championships. In addition, the Aztecs have won conference titles in football, women's basketball, men's soccer and women's golf during his nine years at the helm.

In 2024-25, San Diego State captured five team championships, tying New Mexico for most in the Mountain West and marking the fourth consecutive season in which the Aztecs have at least shared the top spot with the most conference titles. Those championships featured fourth straight crowns by the men's golf and swimming and diving programs, a softball tournament title for the third year in a row, a women's tennis regular-season championships and a women's basketball tournament title for the first time since 2012-13. Not to be outdone, the Scarlet and Black also took home a men's soccer regular-season crown in its first year in the Western Athletic Conference.

During the 2023-24 campaign, San Diego State won the most Mountain West Championships for a third straight year among conference sports the Aztecs compete in. SDSU claimed six MW titles that year, including a women's soccer regular-season championship in the fall, a swimming & diving title in the winter, followed by two league championships by softball (regular season and tournament) in the spring, as well as a men's golf crown and a women's tennis tournament title.

In 2022-23, the SDSU men's basketball team advanced to the NCAA Championship game, becoming the first Mountain West team to secure a berth in an Elite 8, Final Four or NCAA title game. The Aztec softball team also advanced to its first NCAA Super Regional and came within one game of clinching a spot in its first Women's College World Series.

"When we began this (AD) search, we envisioned a person who cares about our student-athletes, whose integrity is paramount and whose competitive fire inspires greatness. In short, someone who embodies our ideal of `winning it right.' John David Wicker is that person," said then-SDSU President Elliot Hirshman at the time of Wicker's hire.

Wicker worked as SDSU's Deputy Athletic Director from 2011 until departing for Georgia Tech in July 2015. During his first term at SDSU, he was responsible for the day-to-day operations of the Aztec athletics department, overseeing business operations, human resources, events and facilities, capital projects, strength and conditioning, academics, video, as well as providing sport oversight for football, rowing, and men's and women's basketball.

Prior to his first tour of duty at SDSU, Wicker served as Associate Athletic Director for Event and Facility Operations at Washington State from 2001-11. While at WSU, he was responsible for event planning and game day responsibilities for all home athletic events, conference tournaments and NCAA championships, day-to-day oversight and operations of

DIRECTOR OF ATHLETICS

all athletic facilities, and the liaison for the athletic department on capital projects.

Wicker also spent two years as Director of Event and Facility Operations at Southern Miss from 1999-2001. At USM, he managed regular season and championship event operations, coordinated day-to-day maintenance of facilities, and served as the liaison to the university on all capital projects. He also oversaw the design and initial construction of USM's $11 million Athletic Center, which houses administrative and coaching offices, football locker room, weight room and training areas.

Earlier, Wicker spent three years at Georgia from (1996-99), where he worked for the Atlanta Committee for the Olympic Games in preparation for the 1996 Summer Olympics as the venue logistics manager for Sanford Stadium, home to the medal rounds for men's and women's soccer.

In 2016, Wicker took over an SDSU athletic department that has enjoyed great success in recent years. The Aztec football team set a program record with 12 victories in 2021, finishing 25th in the Associated Press final rankings. SDSU also found itself among the College Football Playoff Rankings for the first time in program history, cracking the top 25 on all six occasions that season. Aztec squads, from women's track and field to men's and women's golf, to baseball and softball, have combined for 72 team conference championships since the beginning of the 2012-13 school year.

On the national level, San Diego State ranks second for combined football and men's basketball records since the start of the 2010-11 academic year, posting a collective 506-199 mark for a .718 winning percentage.

Wicker graduated from Mississippi State in 1992 with a bachelor's degree in professional accountancy. He received his master's degree in education with an emphasis in sports management from Georgia in 1997.

Wicker has served on the board of directors for LEAD1, which represents the athletics directors of the 133 member universities of the Football Bowl Subdivision (FBS), that encompasses 42 states, 55,000 student athletes, and more than 25,000 athletic administrators.

Wicker, who currently serves on the Executive Committee of the San Diego Sports Association, as well as on the Board of Directors for the San Diego Food Bank, resides in Santee, Calif., with and his wife Rachel and daughters Scarlett Anne and Waverly Lile.

AZTEC CLUB

INVEST • INSPIRE • BELIEVE

The Aztec Club is the primary fundraising arm of San Diego State Athletics. We work with the Campanile Foundation to raise over $10 million each year for scholarships and operations to support our student-athletes. Our over 5,000 members include season ticket holders and generous donors that help our student-athletes succeed on the field and in the classroom. With our donors' investments, we provide our student-athletes with the resources they need to succeed in all areas of their lives, including funding for academic advisors, life skills programs, training facilities, equipment, and other vital resources to help student-athletes compete at the highest level.

Aztec student-athletes can accomplish all their academic and athletic success because of the generous support of the San Diego community. We take pride in knowing that your investments continue to fuel the future success and traditions of San Diego State athletics and help develop the next generation of leaders.

Give a child the gift of nature and a lifelong sense of wonder.

One of the best things you can give your child or grandchild doesn't come from a store. It's time spent outdoors discovering the gifts of nature, right in their own backyard. Nature Explore resources give you fun tools and activities to give the children in your life a love of nature, lifelong learning skills, and an everlasting sense of wonder.

Go to **arborday.org** and check out Nature Explore. There, you can download a free Nature Explore Families Club kit and learn about other Nature Explore resources for connecting children with nature. Whether you live in the city, the country, or anywhere in between, go online to **arborday.org** and start seeing what a difference nature can make.

ChildFund®

The promise inside Hazel is greater than the poverty around her.

Hazel doesn't know what she wants to be when she grows up, and that's just fine. At age 11, her job is to play, grow and learn. But for kids like her in the world's poorest places, poverty gets in the way.

ChildFund works in 24 countries to make sure children grow up healthy, educated, self-sufficient and safe, wherever they were born.

Thanks to generous supporters, our programs help children fulfill their potential. That's been our promise to them for 80-plus years.

SNAPDRAGON STADIUM

With the opening of the 2025 Aztec Football season, San Diego State enters the fourth year of playing in the world-class Snapdragon Stadium, designed to meet the needs of the San Diego community.

Located in bustling Mission Valley, the heart of San Diego, Snapdragon Stadium not only provides a year-round hub of entertainment and community engagement but also serves as a welcomed home for SDSU Athletics and a gathering place for the broader San Diego region.

On Dec. 6, 2021, San Diego State University entered into a long-term agreement with Qualcomm Technologies, Inc. for the naming rights to SDSU Mission Valley's state-of-the-art facility.

The $45 million deal, structured as a 15-year, $3 million per year agreement, marks a new, yet nostalgic era in the San Diego sports story, as two San Diego institutions, with a shared commitment to serving the greater San Diego community, come together.

Snapdragon is Qualcomm Technologies' premier mobile platform brand. It represents a family of technology platforms that bring intelligence and connectivity to smartphones, wearables, always-connected PCs, XR headsets, gaming devices and cars. The Snapdragon® platforms are designed to deliver premium performance and immersive experiences to the user.

Thanks to the implementation of 5G within the venue, Snapdragon Stadium is an embodiment of real, impactful examples of a world where everyone and everything is intelligently connected.

Just a few weeks earlier on Nov. 16, 2021, Sycuan Band of the Kumeyaay Nation and Sycuan Casino Resort became San Diego State University's Inaugural Founding Partner in a ceremony at the SDSU Mission Valley stadium site.

As part of the agreement, two of the most anticipated experiences within the new facility—The Piers location and The Founders Club—bear the Sycuan name.

The Sycuan Piers have become a signature element of the new stadium. The three piers feature 10,000 square feet of space that include 22 loge boxes, standing room for 500 individuals, three bars and a concession stand. The Piers, inspired by the coastline of San Diego, includes a section that jets out toward the field and provides fans with a view of the action that is exclusive to the venue and is instantly recognizable as

Snapdragon Stadium.

Not to be outdone, The Sycuan Founders Club is one of the most exclusive and prestigious hospitality areas in all Southern California. Comprising four Founders Suites and 48 Founders Club Seats, the Club provides year-round access to every event in Snapdragon Stadium with an all-inclusive premium menu and hosted bar.

Additionally, as part of the partnership, a tribute to the Kumeyaay Nation is displayed inside the stadium.

Other Snapdragon Stadium Founding Partners include Kaiser Permanente, San Diego County Toyota Dealers, Quidel Corporation, Cox Communications, Novo Brazil Brewing Company, Dos Equis, Alesmith Brewing, Proximo, AB InBev, Cutwater Spirits, Pepsico and the San Diego Zoo Wildlife Alliance.

With a focus toward the city's robust food palate, SDSU also unveiled its first 10 hospitality partners for Snapdragon Stadium, all with deep-rooted ties to the San Diego community. Batch & Box, Best Pizza and Brew, Cali BBQ, The Crack Shack, Everbowl, Gaglione Brothers, Hodad's, The Taco Stand, Tarantino's and Sandbar Sportsbar & Grill are the featured food vendors providing unparalleled options in the new venue.

San Diego State broke ground on the Mission Valley stadium site on Aug. 17, 2020, shortly after the university purchased the 166-acre parcel of land from the City of San Diego.

Earlier, San Diego philanthropist Mrs. Dianne L. Bashor donated $15 million to San Diego State University toward construction of the new stadium on Dec. 15, 2019. A first-time donor to the university, Mrs. Bashor presented a lead gift that is one of the largest single donations ever made to SDSU. In recognition of her generosity, San Diego State has named the field at Snapdragon Stadium Bashor Field.

In addition, SDSU received a $2.5 million gift for stadium construction from The Walter J. and Betty C. Zable Foundation in May 2020, while the Sourapas and Reyes families, co-owners of San Diego-based Crest Beverage LLC, contributed a substantial amount to the project in March 2021, securing the first of only four Founders Suites in Snapdragon Stadium as part of this generous commitment.

SDSU Mission Valley – By the Numbers

- 166 -
total acres in Mission Valley

- 4,600 -
neighborhood residences
including 460 affordable homes

- $3.1 billion -
projected annual economic impact at full build-out

- 15,000 -
additional student enrollment made possible

- 1.56 million -
square feet of research, office technology, laboratory, and innovation space

- 95,000 -
square feet of neighborhood serving/commercial retail, including a grocery store and restaurants

- 80+ -
acres of parks, recreation,
and open spaces including a River Park

- 4+ -
miles of pedestrian/bike trails and pathways

- 35,000 -
Capacity multi-purpose stadium

SNAPDRAGON STADIUM PARKING

Snapdragon Stadium is centrally located in Mission Valley and easily accessible by car or public transportation.

Snapdragon Stadium parking lots will open five hours before kickoff. Please plan on arriving early to limit traffic delays. Stadium entry gates open two hours prior to kickoff.

Snapdragon Stadium and its surrounding parking lots are cashless. Lots will only accept credit card payments at the parking entrances. Game day parking sales are subject to space availability and may not be available on game days.

Please note that on-site parking is limited, and it is recommended that you book a parking pass as soon as possible prior to the game to secure on-site parking.

Review the parking map and enter the appropriate gate shown for your specific parking lot. If you arrive at another entry point you will be turned around and directed to the correct lot entry. As you arrive, please have your parking pass ready on your phone.

Snapdragon Stadium recognizes that tailgating is an important aspect of the game day experience. No tailgating will be allowed in adjacent parking stalls. In order to accommodate as many vehicles as possible, patrons wishing to tailgate may do so in the area directly behind their vehicle, provided that their tailgating does not interrupt the flow of traffic or cause crowd management issues.

Guests may not purchase multiple Parking Permits to expand their tailgating footprint. Parking Permits cannot be purchased for the sole purpose of having a space for tenting, tables, grills, and other tailgating activities separate from parking.

Only natural gas or propane grills are allowed. Charcoal grills, wood stoves, oil fryers, open pit fires, and/or other cooking stations will NOT be allowed.

No private events or large group spaces will be allowed unless reserved through REVELxp.

Accessible Parking

Snapdragon Stadium parking lots have paid ADA parking stalls available on a first come first serve basis. The Green Lot – located directly to the north of the stadium – is the primary location for accessible parking.

Vehicles parked in ADA parking stalls must follow all regulations as specified within the California Vehicle Code.

Vehicles parking in an ADA parking stall must display a valid ADA placard and must possess a valid parking pass or pay the parking fee at the entrance.

Snapdragon Stadium will offer a courtesy shuttle for those with mobility impairments. The shuttle will have a designated route connecting the Stadium Trolley station, on-site parking lots, and stadium entry gates.

Rideshare And Drop-Offs

Rideshare and general drop-offs are welcome at the designated area located on the northbound Mission Village Drive between Friars Road and Jacaranda Street (inside Gate 1).

Oversize Vehicle Parking

Oversize vehicles are defined as Recreation Vehicles (RV), limousines, shuttles, busses, motorcoaches or any motor vehicle that resembles the aforementioned vehicle descriptions. Oversize vehicle parking is located in the Orange Lot only and a parking pass is required. Vehicles without a pass will not be admitted. The Orange Lot is the only lot able to accommodate oversized vehicles at Snapdragon Stadium.

Gameday Transportation

For SDSU Football events, on-site parking inventory is limited. If you do not have a parking pass, you MUST use one of the following alternatives:

Ride the Trolley: The Stadium Station on the Trolley's Green Line is located a short walk from Snapdragon Stadium. Park and Ride parking lots are located throughout the Trolley system. Visit sdmts.com to view a list of Park and Ride lots with travel times, or the MTS Park and Ride page.

Rideshare (Uber, Lyft, etc.): Rideshare drop-offs are welcome at the designated area located on the northbound Mission Village Drive between Friars Road and Jacaranda Street.

Park Off-Site: Overflow paid parking is available at the Mission City Corporate Center Garage located at Friars Road and Northside Drive.

HEAD COACH

Sean Lewis enters his second season as head coach of the San Diego State football program. The Oak Lawn, Illinois, native was introduced as the 35th head coach in the history of the San Diego State football program on Nov. 29, 2022.

In his first year at the helm, Lewis' Aztecs fashioned a 3-3 record through their first six games before the youthful squad dropped its final six games to finish with a 3-9 league. During the 2023 campaign, SDSU lost three games by five points or less, boasting a 2-3 mark in one-score games.

Individually, the Aztecs garnered nine all-Mountain West accolades, including first-team running back Marquez Cooper, who ranked 16th in FBS play with 106.2 rushing yards per game and 28th with 117.58 all-purpose yards per contest. In all, Cooper rushed for 1,274 yards on 242 carries, good for 5th on the school's single-season charts, while adding 12 touchdowns. He finished his collegiate career ranked 20th in NCAA FBS history with 5,700 rushing yards.

In addition, first-team EDGE Lucas Tiley-White totaled 60 tackles (40 solo) in a breakout season that also featured a conference-leading 13.5 sacks and 18.5 tackles for loss, which ranked for fifth and seventh in FBS, respectively.

Not to be outdone, placekicker Gabe Mavromatis received second-team all-MW recognition after setting a school-record with a 60/0 field-goal percentage (13-14), connecting on his total 12 attempts, which marks the sixth-longest active streak in the country.

Prior to his arrival on The Mesa, Lewis served as head coach at Kent State from 2018-22 before spending the 2023 campaign as offensive coordinator/quarterbacks coach at Colorado under head coach Deion Sanders. He also witnessed great success as a coordinator/assistant coach in stops at Syracuse (2009-17), Bowling Green (2004-08) and Eastern Illinois (2002-03).

In his final season at Colorado, Lewis served as the team's sputtering attack, with the Buffaloes averaging 12.7 points and 68.21 yards more per game than they've in their 2022.

In his first previous seasons at Kent State, Lewis transformed a moribund program into an offensive juggernaut, with his 2021 team setting school records for plays (1,042), total yards (6,907), rushing yards (3,493), passing yards (3,423) and first downs (362). That season, the Golden Flashes boasted the third-best rushing attack in the nation and ranking fourth in total offense (489.5). Not surprisingly, Kent State clinched its second postseason berth in four years with an appearance in the Famous Idaho Potato Bowl.

Individually, the Golden Flashes placed seven players on the all-conference team following the 2021 campaign, including senior quarterback Dustin Crum, who was crowned with the Mac Smith Leadership Award, signaling the Mid-American Conference's Most Valuable Player. Under Lewis' tutelage, Crum became the first Kent State quarterback to throw for over 3,000 yards in a season and was one of two players in school's story to surpass the 8,000-yard barrier in total offense for his career (7,432 passing, 2,001 rushing) and threw for more than 60 touchdowns (66).

During a shortened 2020 season, Lewis guided the Golden Flashes to a 2-1 mark, securing the program's first back-to-back winning records since the 2016-17 campaigns. Lewis' Kent State offense was on full display in those two games, as Kent State led the nation in total offense (606.5) and scoring offense (49.5). The Golden Flashes concluded that electrifying year with a 66-38 triumph over Akron, tying the program's single-game records at points (66) and touchdowns scored (10).

In 2019, Lewis orchestrated one of the best turnarounds in college football, as Kent State tied for the eight-best improvement in FBS with five additional wins from the previous year, finishing with a 7-6 overall record. The Golden Flashes capped that memorable season with a 51-41 victory over Utah State in the Tropical Smoothie Cafe Frisco Bowl, which marked the first bowl win in program history.

Lewis' offense continued to make tremendous strides that year, improving from 22 points per game in MAC play the previous season to over 34 points in 2019. Kent State compiled over 800 yards of total offense in two games, including a 750-yard outburst against Bowling Green, which marked the most in an FBS regulation game that year.

Individually, six Golden Flash players suited on the all-conference team in 2019, featuring kicker Matthew Trickett, who was named the MAC Special Teams Player of the Year. In addition, Crum flourished under Lewis' guidance, leading the league in quarterback rating (159.2).

HEAD COACH

and completion percentage (69.3) while posting a 20-to-2 touchdown-to-interception ratio.

Lewis made an immediate impact in his first season with the Golden Flashes in 2018, as Kent State improved dramatically in several statistical categories, averaging 11.2 points and 168.4 yards more per game compared to the 2017 campaign.

After posting a 2-10 mark in his inaugural season with the Golden Flashes, Kent State compiled a 22-21 overall record in Lewis' final four years with the program, including a 17-10 ledger in conference play. Except for the pandemic-shortened 2020 campaign, the Flashes played three Power 5 schools each season during Lewis' tenure. Excluding those Power 5 games, his record at KSU improves to 22-5.

Prior to his hire at Kent State, Lewis spent two seasons Syracuse under head coach Dino Babers in 2016-17, serving as co-offensive coordinator and quarterbacks coach.

With Lewis' assistance, Syracuse's high-octane offense averaged 466.5 yards and 34.4 first downs per game in 2017, scoring 40 points or more in three contests to go with an impressive 27-24 victory over defending national champion Clemson.

In addition, the Orange led the nation in offensive plays per game (87.8) that season, while wide receiver Steve Ishmael garnered second-team All-America accolades and was a semifinalist for the Biletnikoff Award after setting program records with 108 catches and 1,347 receiving yards.

During Lewis' first year at Syracuse in 2016, the offense set or tied over 40 school records, including most passing yards in a season (3,665), while its 5,240 yards of total offense ranked second in program history. Not to be outdone, Orange quarterbacks finished 11th nationally in passing offense.

Lewis arrived on the Syracuse campus after working a pair of two-year stints alongside Babers at Bowling Green (2014-15) and Eastern Illinois (2012-13).

National Offensive Rankings Under Sean Lewis

At Colorado
(offensive coordinator)
2023
While Lewis was offensive coordinator:
- 55th in passing (230.0)
- 39th in scoring (32.3)

After Lewis was offensive coordinator:
- 69th in passing (224.2)
- 100th in scoring (26.2)

At Kent State
(head coach/offensive coordinator)
2022
- 3rd in rushing (249.6) and first downs (364), 38th in total offense (466.2), and 36th in scoring (33.3)
- Set Kent State records for plays (1,052), yards (6,997), first downs (364), rushing yards (3,492) and passing yards (3,425)

2020
- 1st in scoring (40.8) and total offense (509.5), 2nd in pass efficiency rating (191.2) and third-down conversion percentage (58.1)
- 2nd in rushing (283.0) and fourth-down conversion percentage (87.5), and 10th in passing (323.5)

At Syracuse
(co-offensive coordinator)
2017
- 18th in passing (284.0) and 23rd in total offense (466.3)

2016
- 11th in passing (321.3)
- Set or tied 40 Syracuse records, including passing yards (3,665), while the 5,240 total yards were second most in program history

At Bowling Green
(co-offensive coordinator)
2015
- 4th in total offense (546.6) and 5th in scoring (46.2)

With Lewis as staff as co-offensive coordinator and quarterbacks coach, Bowling Green ranked fourth nationally in total offense (546.6) during the 2015 campaign while occupying the sixth spot in scoring offense (46.2 ppg).

That season, Lewis also tutored Falcon quarterback Matt Johnson, who collected MAC Offensive Player of the Year honors after finishing second nationally in both passing yards (4,594) and touchdown passes (46). Additionally, All-American wide receiver Roger Lewis was ranked second in the country in receiving yards (1,548) while ranking third in touchdown receptions (16). The previous season, Bowling Green captured the MAC East Division title and secured a spot in the Camellia Bowl.

Lewis' coaching highlights and inside receivers during his tenure at Eastern Illinois, helping the Panthers to consecutive Football Championship Subdivision (FCS) playoff berths, highlighted by a quarterfinal appearance in 2013 with a 10-3 mark. Eiu's offense was led by Las Vegas Raiders quarterback Jimmy Garoppolo, included in the 13 wins was a 47-13 victory at San Diego State on Aug. 31.

Lewis played collegiately at Wisconsin under legendary head coach Barry Alvarez, competing at quarterback and tight end. His band received Big Ten all-academic recognition before earning his bachelor's degree in 2007 from the University in agricultural sciences.

Lewis began his coaching career at his alma mater, Richards High School in Oak Lawn, Illinois, serving as offensive coordinator under the late Gary Korhonen, who garnered National High School Coach of the Year accolades from both the National Football Hall of Fame and the National High School Coaches Association.

Lewis accepted his first college coaching position at Nebraska Omaha, working with the Mavericks' tight ends in 2010 before serving as a graduate assistant at Akron during the 2011 campaign.

Lewis and his wife Sarah have two children, Rory and Kiera.

ASSISTANT COACHES

Zac Bartos
Associate Head Coach/ Special Teams Coordinator/ Tight Ends
Bloomsburg (Pa.), DIII
Arizona State '08
2nd Year at San Diego State

Rob Aurich

* Denotes a second season head coach (does not include previous coaching years at SDSU).
^ Utilizing extra year of eligibility offered by the NCAA due to player college injury.

SOUTHERN CALIFORNIA LIFE POWERED FOR 125 YEARS

AS UNION MEMBERS, WE BARGAIN COLLECTIVELY WITH OUR EMPLOYERS OVER WAGES, BENEFITS, AND RIGHTS. MOST OF US HAVE VERY LIMITED BARGAINING POWER AS ONE PERSON, BUT AS A GROUP, WE ARE STRONG. WITH A GOOD NEGOTIATED CONTRACT, WE HAVE LEGAL PROTECTIONS WE WOULD NOT HAVE OTHERWISE.

"I can't do this on my own."

It's OK to get help.

Sports come with highs and lows. Just like some sports require a team, so does taking care of our mental health. It shouldn't be a solo game.

Whether you're feeling the pressure to perform, coping with losses, or needing someone to just talk to, **CalHOPE** is here to provide you with free, safe, and confidential mental health support.

Win or lose, you don't have to face it alone. Reach out for support. The **CalHOPE** team is waiting.

Find support now at **CalHOPE.org**

CalHOPE

"Mental health and physical fitness are intrinsically bound together. When we are healthy in mind and body, we are able to flourish in all aspects of our lives."

A message from Pro Football Hall of Fame inductee Ronnie Lott and California First Partner Jennifer Siebel Newsom, Co-Chairs of the ***Governor's Advisory Council on Physical Fitness and Mental Well-Being.***

The ***CalHOPE Courage Award*** *recognizes collegiate student-athletes who have overcome personal behavioral health challenges.*

^^Mountain West Game

Keep your travel plans fumble-free.
Fly ONT.
The stats don't lie. Ontario International Airport is the fastest and easiest airport experience in Southern California with up to 90 daily nonstop flights to nearly 30 major destinations. Plus, navigating in and out of ONT is a breeze with easy parking, fast lines and plenty of space in the terminal. Because let's be honest, faster is always better when it comes to your airport. And your wide receiver.
Start with a good game plan – book your trip through ONT today.

SAN DIEGO STATE UNIVERSITY

San Diego State University is a major public research institution that provides transformative experiences for more than 39,000 students. SDSU offers bachelor's degrees in 97 areas, master's degrees in 87 fields and doctorates in 25 areas, with additional certificates and programs at regional micrositles. SDSU ranks as the No. 1 California State University in federal research support, as one of the top public research universities in California.

In addition to academic offerings at the San Diego State main campus, SDSU Imperial Valley and SDSU Georgia, SDSU Global Campus offers online training, certificates and degrees in areas of study designed to meet the needs of students everywhere. Students participate in transformational research, international experiences, sustainability and entrepreneurship initiatives, internships and mentoring, and a broad range of student life and leadership opportunities.

San Diego State University is committed to inclusive excellence and is known for its efforts in advancing diversity and inclusion. SDSU is nationally recognized for its study abroad initiatives, veterans' programs, and support of LGBTQIA+ students, as well as its powerhouse Division I athletics program.

About 54 percent of SDSU's undergraduate and graduate students are students of color. The university resides on Kumeyaay land and was most recently recognized as an Asian American Native American Pacific Islander-Serving Institution (AANAPISI). SDSU is also a long-standing Hispanic-Serving Institution (HSI).

In 2022, the university broke ground on SDSU Mission Valley, which is designed as a vibrant, mixed-use, medium-density development that is transit-oriented, and expands the university's educational, research, entrepreneurial, and technology transfer programs. SDSU Mission Valley will include transit, retail, housing, and the development of more than 60 acres of community parks and open space, including the 34-acre River Park.

The university's rich campus life and location offers opportunities for students to lead and engage with the creative and performing arts, career and internship opportunities with SDSU's more than 500,000 living alumni, and the vibrant cultural life of the greater San Diego and U.S.-Mexico region.

UNIVERSITY PRESIDENT

Dr. Adela de la Torre was appointed by the California State University Board of Trustees as the key president of San Diego State University.

Arriving on campus in June 2018, Dr. de la Torre is the first woman and first Latina to serve in that role. She brings with her 30 years of service in leadership roles at institutions of higher education, including the California State University system, the University of Arizona and the University of California, Davis.

Throughout her academic career, Dr. de la Torre has embodied the values of inclusion, equity, and achievement, focusing on the success that students and faculty treat to the highest possible. With her wide-ranging experience and achievements, she has brought a global perspective to the SDSU presidency, building on the university's unique leadership role in bridging the region's diverse communities.

Under President de la Torre's leadership, the breadth, depth and diversity of curriculum and academic programs at SDSU have all greatly expanded. She has driven the development of new curriculum and degree programs at both the undergraduate and graduate levels and has been a strong advocate for expanding the university's ability to offer doctoral degrees and post-doctoral research opportunities.

The university has also seen significant growth in philanthropy and research grants during President de la Torre's tenure, ensuring that San Diego State remains its reputation as a leading public research university. With more than 500,000 living alumni, SDSU has received more than $800 million in philanthropic giving in the last five years.

A strong advocate for the campus-wide position impact of academics, philanthropy, President de la Torre has overseen a 60 percent increase in external research funding at SDSU in the past three years alone. In 2020, SDSU achieved its doctoral status, reaching President de la Torre's strategic goal of reaching "R1" status in the Carnegie Classifications, which ranks the top three percent of doctoral-level universities with the highest levels of research activity. That activity helps fuel across SDSU's colleges and disciplines, spanning film and business ventures and driving innovation in leading community health and addiction prevention, artificial intelligence and machine learning, cybersecurity and national security, nanoengineering and more.

One of President de la Torre's most ambitious strategic priorities is the ongoing development of SDSU Mission Valley, along with the new Snapdragon Stadium, which opened in September 2022. SDSU has another promise it made to the community when it opened a 34-acre river park on the site in early 2024. It features more than four miles of pedestrian and biking trails, multi-use recreational fields, basketball courts, fitness equipment, children's playgrounds, picnic areas, an outdoor classroom, and more. The next phase of development at SDSU Mission Valley includes the Innovation District, a modern incubator with up to 18 million square feet of campus, technology and commercial space. The mixed-use district will include residential and retail components.

Once completed, SDSU Mission Valley will generate an additional $2 billion each year for the local economy and will support more than 17,000 jobs. And, importantly, it will allow SDSU to increase enrollment by up to 15,000 more students.

Meanwhile, the university also held a groundbreaking ceremony in early 2024 for a new $55 million STEM education and research facility at SDSU Imperial Valley. Funded by the California Legislature, the facility in Eastern San "Latinx Valley" will prepare students to benefit from the region economic development and professional opportunities created by sustainable production of the element, which is vital to renewable energy technology. SDSU Imperial Valley also recently launched a four-year liberal studies degree and a Bachelor of Arts in multilingualism and a Master of Science degree program in Nonprofit Leadership.

In 2020, addressing a regional housing crisis, SDSU also kind construction of student housing for an additional 2,500 people across both San Diego and Imperial Counties.

Under President de la Torre's direction, SDSU has welcomed federal designation as an Asian American and Native American Pacific Islander-Serving Institution (AANAPISI) and has sustained its designation as a Hispanic-Serving Institution.

For the historically post-visionary initiatives driving the growth of SDSU, President de la Torre has delivered substantial awards, including the 2022 Visionary Award for Innovation & Economic Opportunity from LULAC San Diego, an Honorary Doctorate from Tbilisi State University in 2022, the 2021 Eagle Leadership Award from the Latino Leaders Network, the 2022 Coast Women of 2021 from Bird Rock's San Diego, and the 2019 Union of Pan Asian Communities 45th Annual Leadership Awards.

Prior to her appointment as President, Dr. de la Torre worked in a variety of leadership positions at UC Davis, culminating in five total as vice chancellor for student affairs and campus diversity, where she oversaw a division encompassing 28 departments and units that provide services and facilities to foster academic success, student development and campus community. In addition, she spent 14 years from 2004-18 directing the UC Davis Center for Transnational Health and served a two-year stint (2009-11) as chair of the UC Davis Chicana/Chicano Studies Department, after becoming the first Latina to receive the rank of distinguished professor.

During her tenure at Arizona from 1980-2003, Dr. de la Torre was the director of the Mexican American Studies and Research Center, successfully developing the first graduate program in Mexican American Studies. She also founded the College of Medicine's first federally funded Hispanic Center of Excellence.

Dr. de la Torre was also a professor at California State University, Long Beach, serving as chair of the department of Chicana/Latina Studies. She was additionally selected by members of the California State University system to serve a one-year appointment (1988-89) as a legislative fellow, which involved substantive work on Capitol Hill, higher education legislative initiatives, enrollment, and overall advising, as well as extensive travel to several countries in Western Hemisphere.

Dr. de la Torre's grandparents immigrated to the Central Valley from Mexico. She grew up in the Bay Area, where her grandmother and mother taught her important cultural traditions – the importance of family, the value of hard work, and the power of education. Her mother attended Solano Community College and the University of California, Berkeley and was a public school teacher for 40 years.

Dr. de la Torre earned a bachelor of science degree in the political economy of natural resources and a master of science and Ph.D. in agricultural and resource economics, all from UC...

DIRECTOR OF ATHLETICS

John David Wicker was introduced as San Diego State University's new Director of Intercollegiate Athletics on Oct. 24, 2018.

Through his tireless efforts, Wicker has overseen numerous capital projects upon his return to The Mesa, including the construction of Snapdragon Stadium, the Aztec football program's new state-of-the-art facility that serves as the centerpiece of the SDSU Mission Valley redevelopment plan, along with the highly anticipated River Park. He has also been at the vanguard of Name, Image and Likeness (NIL) discussion across collegiate athletics and has played an active role in helping to shape legislation affecting the college athletic landscape at both the state and federal level.

Additionally, Wicker has overseen the development of a Diversity, Equity, and Inclusion strategic plan for the SDSU athletic department, the addition the Aztecs Going Pro curriculum, as well as unparalleled academic success by SDSU student-athletes. Not to be outdone, Wicker has also raised significant funds for the athletic department to improve the overall student-athlete experience at San Diego State.

Since Wicker took over the reins as SDSU's athletic director the Aztecs have captured 37 Mountain West team championships, including six men's basketball titles, six swimming and diving crowns, five softball championships, four outdoor track and field titles, four men's golf crowns, three baseball championships, three women's soccer titles and a trio of women's tennis championships. In addition, the Aztecs have won conference titles in football, women's basketball, men's soccer and women's golf during his nine years at the helm.

In 2024-25, San Diego State captured five team championships, tying New Mexico for most in the Mountain West and marking the fourth consecutive season in which the Aztecs have at least shared the top spot with the most conference titles. Those championships featured fourth straight crowns by the men's golf and swimming and diving programs, a softball tournament title for the third year in a row, a women's tennis regular-season championship and a women's basketball tournament title for the first time since 2012-13. Not to be outdone, the Scarlet and Black also took home a men's soccer regular-season crown in its first year in the Western Athletic Conference.

During the 2023-24 campaign, San Diego State won the most Mountain West Championships for a third straight year among conference sports the Aztecs compete in. SDSU claimed six MW titles that year, including a women's soccer regular-season championship in the fall, a swimming & diving title in the winter, followed by two league championships by softball (regular season and tournament) in the spring, as well as a men's golf crown and a women's tennis tournament title.

In 2022-23, the SDSU men's basketball team advanced to the NCAA Championship game, becoming the first Mountain West team to secure a berth in an Elite 8, Final Four or NCAA title game. The Aztec softball team also advanced to its first NCAA Super Regional and came within one game of clinching a spot in its first Women's College World Series.

"When we began the (AD) search, we envisioned a person who cares about our student-athletes, whose integrity is paramount and whose competitive fire inspires greatness. In short, someone who embodies our ideal of 'winning it right.' John David Wicker is that person," said then-SDSU President Elliot Hirshman at the time of Wicker's hire.

Wicker worked as SDSU's Deputy Athletic Director from 2011 until departing for Georgia Tech in July 2015. During his first term at SDSU, he was responsible for the day-to-day operations of the Aztec athletics department, overseeing business operations, human resources, events and facilities, capital projects, strength and conditioning, academics, video, as well as providing sport oversight for football, rowing, and men's and women's basketball.

Prior to his first tour of duty at SDSU, Wicker served as Associate Athletic Director for Event and Facility Operations at Washington State from 2001-11. While at WSU, he was responsible for event planning and game day responsibilities for all home athletic events, conference tournaments and NCAA championships, day-to-day oversight and operations of

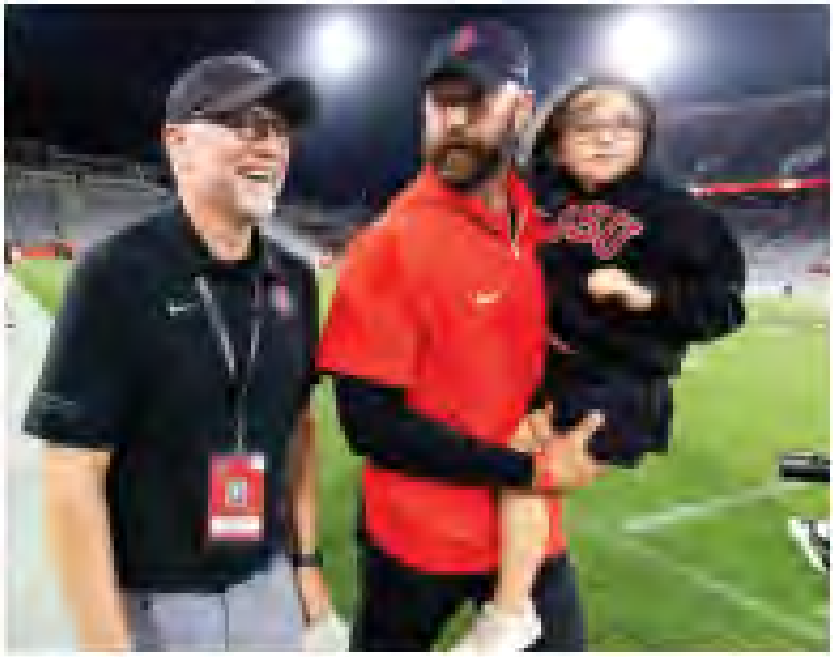
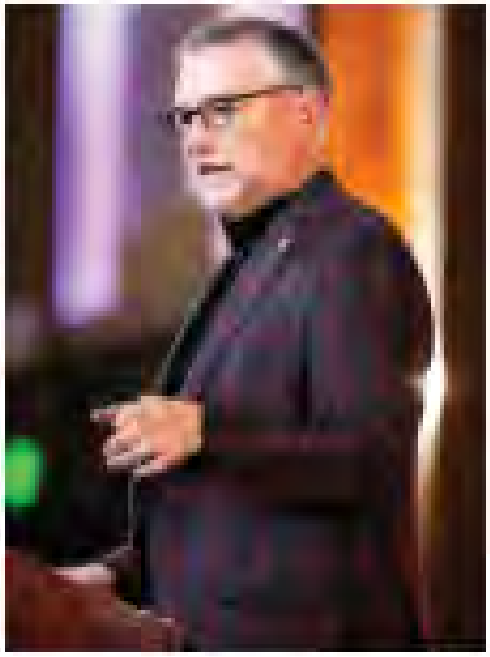
DIRECTOR OF ATHLETICS





all athletic facilities, and the liaison for the athletic department on capital projects.

Wicker also spent two years as Director of Event and Facility Operations at Southern Miss from 1999-2001. At USM, he managed regular season and championship event operations, coordinated day-to-day maintenance of facilities, and served as the liaison to the university on all capital projects. He also oversaw the design and initial construction of USM's $11 million Athletic Center, which houses administrative and coaching offices, football locker room, weight room and training areas.

Earlier, Wicker spent three years at Georgia from 1996-99, where he worked for the Atlanta Committee for the Olympic Games in preparation for the 1996 Summer Olympics as the venue logistics manager for Sanford Stadium, home to the medal rounds for men's and women's soccer.

In 2016, Wicker took over an SDSU athletic department that has enjoyed great success in recent years. The Aztec football team set a program record with 12 victories in 2021, finishing 25th in the Associated Press final rankings. SDSU also found itself among the College Football Playoff Rankings for the first time in program history, cracking the top 25 on all six occasions that season. Aztec squads, from women's track and field to men's and women's golf, to baseball and softball, have combined for 72 team conference championships since the beginning of the 2013-'13 school year.

On the national level, San Diego State ranks second for combined football and men's basketball records since the start of the 2012-'11 academic year, posting a collective 506-199 mark for a .718 winning percentage.

Wicker graduated from Mississippi State in 1992 with a bachelor's degree in professional accountancy. He received his master's degree in education with an emphasis in sports management from Georgia in 1997.

Wicker has served on the board of directors for LEAD1, which represents the athletics directors of the 13 member universities of the Football Bowl Subdivision (FBS), that encompasses 42 states, 35,000 student-athletes, and more than 25,000 athletic administrators.

Wicker, who currently serves on the Executive Committee of the San Diego Sports Association, as well as on the Board of Directors for the San Diego Food Bank, resides in Santee, Calif., with and his wife Rachel and daughters Scarlett Anne and Waverly Lilo.

AZTEC CLUB

INVEST • INSPIRE • BELIEVE

The Aztec Club is the primary fundraising arm of San Diego State Athletics. We work with the Campanile Foundation to raise over $10 million each year for scholarships and operations to support our student-athletes. Our over 5,000 members include season ticket holders and generous donors that help our student-athletes succeed on the field and in the classroom. With our donors' investments, we provide our student-athletes with the resources they need to succeed in all areas of their lives, including funding for academic advisors, life skills programs, training facilities, equipment, and other vital resources to help student-athletes compete at the highest level.

Aztec student-athletes can accomplish all their academic and athletic success because of the generous support of the San Diego community. We take pride in knowing that your investments continue to fuel the future success and traditions of San Diego State athletics and help develop the next generation of leaders.

" Early detection allowed us to take control of the situation and make a plan together."

If you're noticing changes, it could be Alzheimer's. Talk about visiting a doctor together.

Give a child the gift of nature and a lifelong sense of wonder.

One of the best things you can give your child or grandchild doesn't come from a store. It's time spent outdoors discovering the gifts of nature, right in their own backyard. Nature Explore resources give you fun tools and activities to give the children in your life a love of nature, lifelong learning skills, and an everlasting sense of wonder.

Go to **arborday.org** and check out Nature Explore. There, you can download a free Nature Explore Families Club kit and learn about other Nature Explore resources for connecting children with nature. Whether you live in the city, the country, or anywhere in between, go online to **arborday.org** and start seeing what a difference nature can make.

ChildFund.

The promise inside Hazel is greater than the poverty around her.

Hazel doesn't know what she wants to be when she grows up, and that's just fine. At age 11, her job is to play, grow and learn. But for kids like her in the world's poorest places, poverty gets in the way.

ChildFund works in 24 countries to make sure children grow up healthy, educated, self-sufficient and safe, wherever they were born.

Thanks to generous supporters, our programs help children fulfill their potential. That's been our promise to them for 80-plus years.

SNAPDRAGON STADIUM

With the opening of the 2025 Aztec Football season, San Diego State enters the fourth year of playing in the world-class Snapdragon Stadium, designed to meet the needs of the San Diego community.

Located in bustling Mission Valley, the heart of San Diego, Snapdragon Stadium not only provides a year-round hub of entertainment and community engagement but also serves as a welcomed home for SDSU Athletics and a gathering place for the broader San Diego region.

On Dec. 6, 2021, San Diego State University entered into a long-term agreement with Qualcomm Technologies, Inc. for the naming rights to SDSU Mission Valley's state-of-the-art facility.

The $45 million deal, structured as a 15-year, $3 million per year agreement, marks a new, yet nostalgic era in the San Diego sports story, as two San Diego institutions, with a shared commitment to serving the greater San Diego community, come together.

Snapdragon is Qualcomm Technologies' premier mobile platform brand. It represents a family of technology platforms that bring intelligence and connectivity to smartphones, wearables, always-connected PCs, XR headsets, gaming devices and cars. The Snapdragon® platforms are designed to deliver premium performance and immersive experiences to the user.

Thanks to the implementation of 5G within the venue, Snapdragon Stadium is an embodiment of real, impactful examples of a world where everyone and everything is intelligently connected.

Just a few weeks earlier on Nov. 16, 2021, Sycuan Band of the Kumeyaay Nation and Sycuan Casino Resort became San Diego State University's Inaugural Founding Partner in a ceremony at the SDSU Mission Valley stadium site.

As part of the agreement, two of the most anticipated experiences within the new facility—The Piers location and The Founders Club—bear the Sycuan name.

The Sycuan Piers have become a signature element of the new stadium. The three piers feature 10,000 square feet of space that include 22 loge boxes, standing room for 500 individuals, three bars and a concession stand. The Piers, inspired by the coastline of San Diego, includes a section that juts out toward the field and provides fans with a view of the action that is exclusive to the venue and is instantly recognizable as

Snapdragon Stadium.

Not to be outdone, The Sycuan Founders Club is one of the most exclusive and prestigious hospitality areas in all Southern California. Comprising four Founders Suites and 48 Founders Club Seats, the Club provides year-round access to every event in Snapdragon Stadium with an all-inclusive premium menu and hosted bar.

Additionally, as part of the partnership, a tribute to the Kumeyaay Nation is displayed inside the stadium.

Other Snapdragon Stadium Founding Partners include Kaiser Permanente, San Diego County Toyota Dealers, Quidel Corporation, Cox Communications, Nova Brazil Brewing Company, Bob Equis, Ale:ainth Brewing, Proximo, AB InBev, Cumulus Spirits, Pepsico and the San Diego Zoo Wildlife Alliance.

With a focus toward the city's robust food palate, SDSU also unveiled its first 10 hospitality partners for Snapdragon Stadium, all with deep-rooted ties to the San Diego community. Beach & Bay, Bein Pizza and Brew, Cali BBQ, The Crack Shack, Everbrew, Gagliano Brothers, Hodad's, The Taco Stand, Tarantino's and Sandbar Sportsbar & Grill are the featured food vendors providing unparalleled options in the new venue.

San Diego State broke ground on the Mission Valley stadium site on Aug. 17, 2022, shortly after the university purchased the 166-acre parcel of land from the City of San Diego.

Earlier, San Diego philanthropist Mrs. Dianne L. Bashor donated $15 million to San Diego State University toward construction of the new stadium on Dec. 15, 2019. A first-time donor to the university, Mrs. Bashor presented a lead gift that is one of the largest single donations ever made to SDSU. In recognition of her generosity, San Diego State has named the field at Snapdragon Stadium Bashor Field.

In addition, SDSU received a $2.5 million gift for stadium construction from The Walter J. and Betty C. Zable Foundation in May 2020, while the Soukiasis and Reyes families, co-owners of San Diego-based Crest Beverage LLC, contributed a substantial amount to the project in March 2021, securing the first of only four Founders Suites in Snapdragon Stadium as part of this generous commitment.

SDSU Mission Valley – By the Numbers

- 166 -
total acres in Mission Valley

- 4,600 -
neighborhood residences
including 460 affordable homes

- $3.1 billion -
projected annual economic impact at full build-out

- 15,000 -
additional student enrollment made possible

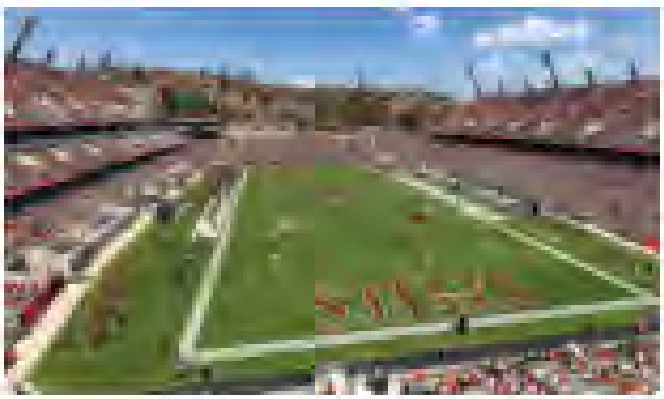
- 1.56 million -
square feet of research, office technology, laboratory, and innovation space

- 95,000 -
square feet of neighborhood serving/commercial retail, including a grocery store and restaurants

- 80+ -
acres of parks, recreation, and open spaces including a River Park

- 4+ -
miles of pedestrian/bike trails and pathways

- 35,000 -
Capacity multi-purpose stadium



SNAPDRAGON STADIUM PARKING

Snapdragon Stadium is centrally located in Mission Valley and easily accessible by car or public transportation.

Snapdragon Stadium parking lots will open five hours before kickoff. Please plan on arriving early to limit traffic delays. Stadium entry gates open two hours prior to kickoff.

Snapdragon Stadium and its surrounding parking lots are cashless. Lots will only accept credit card payments at the parking entrances. Game day parking rates are subject to space availability and may not be available on game days.

Please note that on-site parking is limited, and it is recommended that you book a parking pass as soon as possible prior to the game to secure on-site parking.

Review the parking map and enter the appropriate gate shown for your specific parking lot. If you arrive at another entry point you will be turned around and directed to the correct lot entry. As you arrive, please have your parking pass ready on your phone.

Snapdragon Stadium recognizes that tailgating is an important aspect of the game day experience. No tailgating will be allowed in adjacent parking stalls. In order to accommodate as many vehicles as possible, patrons wishing to tailgate may do so in the area directly behind their vehicle, provided that their tailgating does not interrupt the flow of traffic or cause crowd management issues.

Guests may not purchase multiple Parking Permits to expand their tailgating footprint. Parking Permits cannot be purchased for the sole purpose of having a space for tenting, tables, grills, and other tailgating activities separate from parking.

Only natural gas or propane grills are allowed. Charcoal grills, wood stoves, oil fryers, open pit fires, and/or other cooking stations will NOT be allowed.

No private events or large group spaces will be allowed unless reserved through REVELup.

Accessible Parking

Snapdragon Stadium parking lots have paid ADA parking stalls available on a first come first serve basis. The Green Lot – located directly to the north of the stadium – is the primary location for accessible parking.

Vehicles parked in ADA parking stalls must follow all regulations as specified within the California Vehicle Code.

Vehicles parking in an ADA parking stall must display a valid ADA placard and must possess a valid parking pass or pay the parking fee at the entrance.

Snapdragon Stadium will offer a courtesy shuttle for those with mobility impairments. The shuttle will have a designated route connecting the Stadium Trolley station, on-site parking lots, and stadium entry gates.

Rideshare And Drop-Offs

Rideshare and general drop-offs are welcome at the designated area located on the northbound Mission Village Drive between Friars Road and Jaclanda Street (inside Gate 6).

Oversize Vehicle Parking

Oversize vehicles are defined as Recreation Vehicles (RV), limousines, shuttles, busses, motorcoaches, or any motor vehicle that resembles the aforementioned vehicle descriptions. Oversize vehicle parking is located in the Orange Lot only and a parking pass is required. Vehicles without a pass will not be admitted. The Orange Lot is the only lot able to accommodate oversized vehicles at Snapdragon Stadium.

Gameday Transportation

For SDSU Football events, on-site parking inventory is limited. If you do not have a parking pass, you MUST use one of the following alternatives:

Ride the Trolley: The Stadium Station on the Trolley's Green Line is located a short walk from Snapdragon Stadium. Park and Ride parking lots are located throughout the Trolley system. Visit sdmts.com to view a list of Park and Ride lots with travel times, or the MTS Park and Ride page.

Rideshare (Uber, Lyft, etc.): Rideshare drop-offs are welcome at the designated area located on the northbound Mission Village Drive between Friars Road and Jaclanda Street.

Park Off-Site: Overflow paid parking is available at the Mission City Corporate Center Garage located at Friars Road and Northside Drive.
